Four Star Farm Policies

1. To respect the schedules of Cece Fortier and Natalie Brady, please text or call during weekday business hours, Monday-Friday, 8:00 a.m.-5:00 p.m. Outside of those hours, please email unless it is a veterinary emergency. Thank you!
2. A 24-hour cancellation notice is required for all lessons.
3. Students, boarders, and visiting riders must sign a release of liability form before riding.
4. All riding is done at your own risk.
5. Dogs must be leashed at all times.
6. Smoking is not allowed inside barns, buildings, or other facilities.
7. No open-toed shoes, i.e. flip flops or sandals. This is for your safety.
8. ALWAYS wear your riding helmet while on the horse. TROXELS are not allowed. Charles Owen helmets are our preferred brain protector! Four Star Farm has helmets available for riders in lessons.
9. Always return equipment in clean condition and neatly hung or put away.
10. Clean up any manure your horse leaves behind in the arena, wash stalls, cross ties or aisles.
11. Four Star Farm is not responsible for personal items. It is your responsibility to properly store all personal gear not in use.
12. Please note that when trailering in horses not boarded at Valley Dressage, the barn charges a \$25 trailer-in fee.
13. Please remember that if you break or lose a piece of FSF equipment or tack, you are expected to replace it within one week.
14. Have fun! Horses are an adventure.

Payment and Lesson Attendance Policies

1. Tuition options are available for two, four or eight lessons per month.
2. Tuition entitles a student to a standing appointment for the same day and time, depending on the lesson option. Note: Lesson time includes learning to groom and tacking a horse.
3. Lesson horse assignments are made upon arrival at the barn. If a rider would like to ride the same lesson horse consistently, please talk with Natalie or Cece about half leasing a lesson horse.
4. Lessons may be conducted individually or in small groups, at our discretion and depending on the needs of the rider. Private lessons are 45 minutes, group lessons are one hour.
5. Training and tuition fees are due by the 5th of the month. A late fee will be assessed after the 10th. Electronic bill pay is available.
6. When competing, coaching and horse use fees are billed following the event. Trailering fees are due at the time of service.
7. If paying per lesson, payment via cash, check or Venmo, is due at the time of lesson.
8. Monthly tuition is payable by check, credit card (3.5% fee) or electronic funds transfer (EFT). To receive the monthly discount, payment must be by EFT.
9. Missed lessons cannot be carried over or discounted from the next month's bill. If 24-hour notice has been given, you may reschedule within the month the missed lesson occurred. Make-up lessons are scheduled the last week of the month in which the missed lesson occurred.
10. Lessons are not scheduled on major holidays. All students are entitled to make up any lesson that falls on major holidays.

Initial Assessment

Natalie assesses rider and horse to make tack fit, nutrition, training and conditioning recommendations.

Veterinary Care

If a horse's owner consents to using Dr. David Valcheck, Four Star Farm's choice, Four Star Farm takes care of routine veterinary care, such as meeting Dr. Valcheck for appointments, vaccinations, cleaning wounds, administering drugs, changing wraps.

In a veterinary emergency, Natalie may be available for the initial visit and be involved in follow-up treatment. Around-the-clock or after-hours care is the owner's responsibility. We will keep on file an advanced directive for your horse, indicating whether it's a candidate for surgery and granting permission for emergency care in the event we cannot contact you.

Farrier

Four Star Farm will coordinate farrier visits for trims and shoeing if a horse owner consents to using Max Gerdes or David Andrade.

Training and Lessons

Full training is an agreed-on combination of training rides and lessons that fulfill realistic riding and showing goals tailored to the rider and horse. Lessons are not necessarily private. Owners are responsible for grooming and tacking up their horse in preparation for a lesson. Because full-training is a program, rather than a set number of lessons or rides per week, make-up lessons or rides are not scheduled. Full training includes four rides and/or lessons a week for most weeks. Holidays and shows will affect this schedule.

The rider assessment and rider goals guide recommendations for the training program. Lessons may be with Cece or Natalie. Natalie teaches the majority of lessons for full-training clients. Cece helps riders develop a strong foundation of skills and knowledge that enable riders to transition to lessons with Natalie and successful showing.

Showing

Natalie and Cece will provide guidance for keeping your horse show ready, covering grooming tips, conditioning and nutrition.

When you enter a show, if you do not own a trailer, you are expected to trailer with Natalie. Please check with her prior to entering a show regarding trailering and coaching fees, which are additional to full training tuition. By trailering with Natalie, your horse is covered by her insurance policy while traveling. At USEA-recognized shows, you are covered by USEA's insurance. (Four Star Farm recommends purchasing additional major mortality and major medical insurance that covers your horse outside of shows.)

Because group housing and other arrangements for USEA-recognized shows depend on the number of riders showing, and last-minute cancellations cause expense complications, you will be charged a non-refundable fee of \$100.00 per show entered. This fee will be applied to the coaching and trailering fees for the show.

Boarding at Valley Dressage

Please contact Valley Dressage owner Gail Strange to arrange for boarding at Valley Dressage. (Full training does not include boarding costs.) The monthly boarding fee is payable to Valley Dressage.

Blanketing is run by Valley Dressage and the associated fee is payable to Valley. Please talk with Valley Dressage owner Gail Strange to arrange this service.

Natalie will recommend any needed supplements for your horse, and the Valley Dressage staff handle feeding supplements with the daily ration of Stable Mix and any other grain your horse is being fed.

Selling a Horse

When placing a horse for sale with Natalie, a 10 percent commission is charged on the sale price. Marketing costs are billed to the horse owner. A show record is very helpful when selling a horse.

Communication

Please text or call Natalie, 707-312-1119, during weekday business hours (Monday-Friday, 8 a.m.-6 p.m.), unless it is a veterinary emergency. Outside of business hours and on weekends, please email, natalie@fourstarfarm.com.

Payment

We are pleased to provide you with a program that is discounted compared to paying for lessons and training separately. To prevent your incurring late fees, payment for full training of \$850/month*, is through auto-payment on the 1st through 5th days of the month. (You choose the date.) Using electronic funds transfer (EFT), from a bank account, is preferred. Beginning January 2021, clients who choose not to use EFT will be charged an additional \$10/month.

A 30-day notice is required for any changes in full training.

Thank you!

I have read and understand the conditions of entering full training with Four Star Farm LLC.

Costs to take into consideration are lodging, entry fees, stabling, trailering, Natalie's daily coaching fee and horse fees if you are riding a Four Star Farm horse. Local schooling, or practice shows are the least expensive and a good place for riders new to showing to start. (Online entry is available for all shows and venues are following covid advisories.) Please consult with Natalie about costs for each show.
